

## Worstead Guild Programme July – September 2018

Building work will begin on the Dilham Workshop on Monday 16th July, and last for approximately 4-6 weeks. The Workshop will be closed from 14<sup>th</sup> July. The Trustees are keen that we continue to meet as often as possible, and have therefore made arrangements to hire the Dilham Village Hall (next to the Workshop) for some dates in July and August.

Please note that dates for September are provisional – depending on progress of the building work. Please check website, facebook and emails for updates.
